

Former Fire Station Site, Keynsham

Comments Form

We would be very grateful if you could take a few minutes to provide your response to the questions below.

As well as your feedback, we will collect some personal data about you (name, and address or email address) to record the fact that you have returned comments. This data will be stored securely for 12 months. We will not share your data with third parties and your comments will be made anonymous before we share them with our client (Chewton Place Developments Ltd). By completing this form, you agree that we can process your data in line with our Privacy Policy – please ask a team member for details or see our printed Privacy Notice.

Name: _____

Post/email address:

1. Thinking about changes affecting town centres, do you support a mix of town centre living, in this case for senior living and commercial space fronting Temple Street?

Please provide any comments here:

Yes	
No	

2. Do you have any thoughts to what the commercial uses for the ground floor facing Temple Street should be?

Please provide any comments here:

3. Do you support the proposals for the public realm and Market Walk through the site?

Please provide any comments here:

Yes	
No	

4. Do you support the proposals for vehicular access to the site?

Please provide any comments here:

Yes	
No	

5. Do you have any comments to make on the design of the site as a whole or the proposed building?

Please provide any comments here:

6. Please provide any additional comments here:

Thank you very much for your feedback

Completed forms can be deposited in the comment boxes or sent via
Post: Nash Partnership, 23a Sydney Buildings, Bath BA2 6BZ or via Email:
KeynshamFS@nashpartnership.com

Please post or email responses by Friday 8th December 2023.
The boards displayed in the consultation will be available on the Nash Partnership website at:
<https://www.nashpartnership.com/> in the 'news' section post tonight's event.

We will not share your data with third parties and your comments will be made
anonymous before we share them with our client. See our [Privacy Notice](#) for full
details.
