

We're recruiting...

Part 1 required for busy Bath based practice

Nash Partnership is a well-established firm of creative individuals who have an exciting opportunity for a talented Part I Architectural Assistant to join the team. The successful candidate will be supported to grow and develop within the role, working on a wide range of projects including residential, commercial, leisure and mixed use.

If you have a passion for good quality architecture and would like to further your professional design experience, please get in touch! In return we offer a competitive salary, 23 days holiday, Health Cash Plan, Employer Supported Volunteering leave, excellent CPD program tailored to individual, internal mentor scheme, office away days/social events and a scenic office located on the Kennet and Avon Canal in Bath.

Requirements

- RIBA Part 1 Architecture Degree
- Proficient in AutoCAD and Photoshop
- Experience in Revit desirable but not essential as full training will be given
- To be able to demonstrate a variety of communication skillsets including hand drawing and sketching
- Previous experience in an architectural office desirable but not essential

To apply please forward your CV and portfolio examples to Tina Hosking, HR Manager, email thosking@nashpartnership.com quoting reference number **2501**.
